

From: NSBA

Subject: Student Town Hall at NBC's Education Nation

NBC's Education Nation Summit will take place Sunday, September 23 – Tuesday, September 25. NSBA has been invited again this year to participate. A new event this year will be a Student Town Hall meeting on Sunday, September 23.

NBC is looking to include articulate student representatives from local school boards from across the country to participate in this event.

NSBA does not have all the details yet, but at this point NBC would like it to provide a diverse list of student school board members to recommend. It is an opportunity to showcase some wonderful talent among student school board members.

Here is where NSBA needs your help.

Send NSBA recommendations by **Friday, September 7** to arice@nsba.org with all or some of the following information to be included on the Excel spread sheet attached:

Student's Name

Name of School District

City and State of School District

Student Population of School District

Contact Information for the Student (e-mail address/ phone #)

Student's Age (as of September 22, 2012)

Student's Gender

Student's Race

Student's School

Student's Grade in School

Brief summary (no more than 2 sentences) explaining why this student would be a good addition to the Student Town Hall event.
